The Apollo Beach Woman's Club had an informative meeting on October 13th with a program on Self-Defense for Seniors given by Paul Peck. The ABWC was founded in 1959 for the purpose of contributing to community development, including providing college scholarships to Apollo Beach high school graduates. In addition to its fund-raising efforts to support its scholarship program, ABWC members enjoy cultural and social activities offered by the Garden Club, Book Club, Culture Club and Bridge Club. Membership in the club is open to all women in Apollo Beach and surrounding communities. For information on membership or other information on the club, contact Judy Peck at 813-746-1072.
